NGĀ MAUNGA WHAKAHII O KAIPARA DEVELOPMENT TRUST

ISSUE 1 / 2018 — KOHITĀTEA (JANUARY)

KŌRERO O TE MANAHUTU BRENDA CHRISTIANSEN

Ka hoki kī te tīmatanga. E takoto mai ngā atua nei ko Ranginui ko Papatūānuku, kei waenganui tonu ā rāua tamariki e noho ana, e whakaora tonu ana. Tēnei te hono hei tūhono i a tātou, kia tūhono, kia tūtaki, kia whiti te noho tahi e, Tihei mauri ora! Ō tātou mate tuatini, i takoto mai ai i roto i te kōpū o te whenua, e tika ana hei poroporoaki i a rātou. Āpiti hono, tātai hono, te hunga mate ki te whenua; āpiti hono, tātai hono ko te whenua ki te hunga ora. E ngā iwi, e ngā mana, ka huri ngā mihi ki a koutou. No reira, tēnā koutou, tēnā koutou, tēnā tātou katoa.

Sadly we enter into 2018 reflecting on the passing of a number of our whanau. Kia koutou kua wheturangitia, haere koutou, haere atu ra.

Our thoughts return to those of us who remain. I hope that each of you got time to spend time with your whanau and friends doing the things you love. I was lucky enough to catch some kai during my break.

The Trust Board held a two day strategy hui in December to review our vision and strategy and to inform the Annual Plan for the 18/19 Financial Year. 2018 is going to be a very busy year for Ngā Maunga Whakahii o Kaipara.

We introduced some of our new kaimahi in the last panui and they enter the new year with a full programme of projects, initiatives and events to deliver. We are looking forward to positive outcomes and great achievements for whanau in 2018.

2018 NGA MAUNGA WHAKAHII BOARD OF TRUSTEES UPDATE HUI

WEEKLY ROOPU KAUMATUA The weekly roopu kaumatua will restart on **Thursday 15 February 2018**. This is an opportunity for our kaumatua to get together to korero, wananga, hui. The group is self determining and to assist the roopu in determining their activities for the year a wananga is being held for whananungatanga and planning on Monday 27 February 2018. All kaumatua are welcome. Please contact the office for further details. Transport assistance is being offered.

TE TARI TAI AO PITOPITO KŌRERO MYRTLE RUST

In November 2017 myrtle rust was found on several hundred ramarama plants at a commercial plant production property in Waimauku. Myrtle rust can cause significant damage to plants such as pōhutukawa, mānuka, kanuka and rāta and can kill mature trees. No country has successfully eradicated the disease. Myrtle rust spores are microscopic and can easily be spread across large distances by wind, or via insects, birds, people or machinery. If you discover or think you might have found myrtle rust, MPI asks that you not touch it but take a photo and call 0800 80 99 66. **KAURI DIEBACK** Our unique Kauri is threatened with extinction. There is no cure for kauri dieback, it can be spread by just a pinhead of soil, and you can't tell by looking whether a tree is infected or not. The fight to save kauri involves everyone. **FRESHWATER ECOLOGY** Massey University have completed some research into the state of the waterways within the South Kaipara. Dr Russell Death will present their findings shortly and will be seeking feedback from whanau.

MANAGEMENT PLANS The Development Office are arranging wananga to enhance whanau understanding of the Resource Management Act and to get whanau involved in activities, initiatives and projects that need to be carried out as part of those plans.

MANA WHENUA SPEED MANAGEMENT CONSULTATION

Auckland Transport (AT) are consulting iwi, hapu and community groups over the next three years to examine current speed limits on local roads (not State Highways) and to talk about road risks and speeds. Reduction in speeds is one tool to use to improve road safety but the Auckland Transport safety programme also includes engineering, driver education and community engagement to improve road safety.

Right now AT are asking for names of roads or sections of roads that you would specifically like to be reviewed and they are collecting names and contact details from people who would like to be included in consultation activities.

2017 – 2018 Grants

There are four types of grants available. The closing date for applications is 31 March 2018. Our funding coordinator can arrange workshops and 1:1 sessions to support you and your whanau in completing your applications. We will also be uploading some tutorial videos to our 'you tube' profile to further support whanau through the process.

Contact the office for an application pack.

OUR KETE KOHINGA KORERO MĀORI HOUSEHOLD PACKS ARE AVAILABLE FOR ALL WHANAU NOW. PLEASE CONTACT THE OFFICE TO GET YOURS.
