Ngā Maunga Whakahii o Kaipara Ngahere Ltd

Kaitiaki Roles

Ngā Maunga Whakahii o Kaipara (NMWoK - the representative post Treaty settlement entity for Ngāti Whātua o Kaipara / NWoK) purchased the land under Woodhill Forest from the Crown in 2013. The subsidiary NMWoK Ngahere Ltd manages the organisation's forestry and related interests (especially tourism). We entered into a JV arrangement with a forestry company and we have now planted pines that NMWoK actually part-owns, on our own whenua.

In recent years, particularly over summer, Ngahere Ltd has managed a team of kaitiaki who have patrolled the Forest and surrounding areas, informing the public about use of easements through Woodhill, accessing the forest and its attractions, health and safety with respect to the Forest, assisting with forest security (eg. checking gates, monitoring for illegal / dangerous activity, assisting in the case of emergencies), supporting and promoting NMWoK (and NMWoK associated) businesses in and around the forest, and advocating for the care of our tribal resources (eg. dunes and kai moana).

We are now looking for several casual part-timers to join our kaitiaki roster.

The role requires frequent weekend, public holiday and 'out of usual business hours' work.

Depending on support arrangements that may be made with other partners (eg. Auckland Council), the role may include education and monitoring of the public with respect to driving on Muriwai Beach, and interview / survey, security and public education work within Muriwai Regional Park.

There will be additional tasks assisting with managing filming activity and sporting / other events in the Forest – and working with whānau to manaaki safe passage through our Ngahere to support cultural activities and access to places of significance.

Our educational / cultural tourism activity is growing and there will be opportunities to help host and teach visiting groups.

The scope of the role even includes physical work assisting with pest control and maintenance of assets around the forest – especially in our horse park.

Thus the role is very broad – requiring a wide set of skills and attributes. The successful applicants must be physically fit and willing to do physical work. They must also be very

sensible, trustworthy, well-spoken / articulate and good with people. It would be of benefit if applicants have an understanding of working with tablets / laptops, recording data (eg. on Excel) and writing basic reports. They must hold full, clean drivers' licences and be willing to undergo a Police background check, as well as workplace drug testing. Security qualifications / experience would be an advantage but are not a necessity.

This is an exciting opportunity to be part of the Ngahere Ltd team working in and around our forests (especially Woodhill), and of the ever increasing portfolio of activities and businesses we are associated with. Although the breadth of the role is challenging, it also means that every day can be different and there will be parts of the job that you really enjoy.

If you are interested, please forward by 30 June, 2018, an application letter and an up to date cv to:

PO Box 315, Kumeu 0810

Attention: Wikiriwhi Ratima (Custodial Manager, NMWoK Ngahere Ltd)

or email to wiki@kaiparamoana.com
